

Nissan Forklift Part

Nissan Forklift Part - Nissan prides itself on attaining total consumer fulfillment when their buyer is enjoying one of their numerous trucks, cars or lift trucks. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to delivering high value and meticulous quality standards to their customers. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan lift trucks supply many of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their assorted client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to providing consumer support, the company has four separate production facilities that allow them to persistently adapt to their customers continually evolving desires by offering an assortment of progressive ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, manufacture, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental accountability by using techniques and processes that minimize their environmental footprint. These high values remind clients that Nissan operates under the quality seal that their consumers command whilst being an environmentally aware corporation.

Nissan is confident that they will be able to address any customer queries or concerns. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community endorsed sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
