

Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over 60 years of experience successfully designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to offering new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually provides fresh design ideas as shown in their product development. They enjoy providing products which energize both their partners and their dealers and provide production gains to their clients.

The team at TREK enjoys tackling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and needs together with their comprehension of cleaning applications, together with owners' strong desire to significantly lessen expense through productivity gains.

The workers at TREK and their dealer-partners are strongly dedicated to having both technical support and parts accessible when it is required. Their high service dedication is among the core values in their customer service. Keeping their customers' cleaning machines working and ready day after day is top priority. The company's top of the line technology delivers reliable equipment which eventually reduces your cost of cleaning. The service, the product and the price all work as one to make them an industry leader.
